Dear Valued Supplier

National Treasury SCM Instruction 4 of 2016 17 Central Supplier Database

The objective of this communication is to invite you to register on the newly implemented Central Supplier Database (CSD).

The President of South African and the Minister of Finance announced a number of procurement reforms initiatives aimed at improving public sector procurement. A central database of suppliers managed through the National Treasury in one such initiatives.

The CSD is a single source of all supplier information for all spheres of government. The purpose of centralising government's supplier database is to reduce duplication of effort and cost for both supplier and government while enabling electronic procurement processes.

All suppliers registered on the CEF database who would like to do business with government, CEF or other State-Owned entities are required to register on the National Treasury's CSD by the 30th April 2016. Effective 1 April 2016 all spheres of government will only be allowed to do business with suppliers that are registered on the CSD.

To register, please follow this link: <https://secure.csd.gov.za/Account/Register>.

Please do not hesitate to contact us should you experience any problems to complete your registration process.

Your cooperation will be highly valued

Yours Sincerely,

.....
Vuyo Klaas
Procurement Manager
